

The Book Hive's Custom Present Package! **Bespoke book selections for all your friends and family.**

If you want to avoid the same old run-of-the-mill best-seller Christmas books, look no further.

All we need to know is a couple of things about each person you want to buy for. We'll use this info to hand-pick titles for them from our shelves of famously eclectic, independently-minded books.

We'll then send you an email with our choices, and you'll have a chance to tell us if you'd like to swap anything out (though we're quietly confident you'll be excited by our carefully curated selection).

Once you've completed this form, just return it to us - you can email it over, send it by post, or drop it off at the shop in person. **But remember it needs to be with us by Monday 22nd of November at the very, very latest (the earlier the better!)**

You'll be able to collect your expertly-picked bag of books from Monday the 30th November. We'd recommend coming on the evening of the 2nd or the 9th of December, when we'll be opening late for an art book sale. There'll be wine and mince pies..!
